

**Percona  
University  
Montevideo:  
Open Source  
Databases  
Meetup**

**October 2023**  
Montevideo, Uruguay

**Open Source &  
the Financial Industry:**  
Not just infrastructure...  
It's a Revolution!

# Javier Borkenztain

- Apache Software Foundation Member
- PMC member and committer of Apache Fineract
- Co-founder and CEO @ Fiter
- Mechanical Engineer, MBA
- Father of one, in a family of four

# In fiter

we're passionate about changing the world through **open source technology**.

We help financial institutions to enhance customer experiences through **open-source solutions**.

Great Minds,  
Stellar Solutions:  
**World's #1 in Fineract Implementations.**

Global presence, local support:

- Team members in **more than 15 cities**.
- Customers in **more than 30 countries**.

Let's **revolutionize the industry together!**

**Why Open Source  
matters?**

01

# Standardization

Freely available for adoption, implementation and updates.

02

# Community

Diverse and highly motivated. You'll be able to find someone who can help you (or that you can help).

03

## No Vendor Lock In

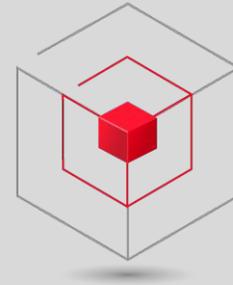

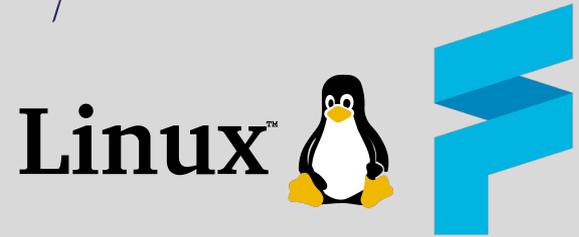

The right to choose a different vendor at any given time.

# Open Source in financial technology:

Apache Software Foundation:

- Fineract
- Linux Foundation
- Finos.org
- Moove.io
- Mifos
- Mojaloop

**FINOS**

**OSPOS**
